From Mark: Safety message from afar. As the water is cooling down consider wearing a flotation device and buddying up...As the days are shorter use the lights for early dawn and dusk.

From Peg Landry: TRR -Just want to give a brief recap and thank you to the ENTIRE club for stepping up this year. I have had no negative feedback! None. Loads of enthusiasm about coming back next year. That is unprecedented in the 33 years I've been doing the TRR. So awesome! The club really came together as a team this year. I'm SO proud of us! Jessica Murray is the best to work with.
