Jay sent an email re: US Rowing are we a Plus membership?
(US rowing) is saying we need to carry sexual abuse and molestation insurance (an additional cost to the TRR of ~\$1000) and in addition all clubs have to be "Plus members" to compete.

MRRA needs to be a "plus member" and the insurance policy a 'SAM' insurance rider.

Added to TRR insurance

We as a club need sexual abuse and molestation insurance and additional ~\$1,000

Individuals who want to race need plus membership with US Rowing as well to address this

U Mass Lowell wants their name in the insurance not simply landlord

Liz contacted the insurance company and they asked for additional \$150.00

Liz will pay this
