September meeting minutes approval deferred to next meeting

Safety

No planned restrictions until after the Head of the Charles

Start with restrictions on novice singles (less than 3 years)

Use lights if departing after 5PM

Equipment

Rack Space

Temp rack (Crouthammel)– convert to permanent

Mark Lewis expressed interest and is on the list

Proposal to award open space to Mark Lewis - Unanimously approved.

Boat captain to notify Mark and Matt (end of rowing season)

Eric using temp space freed up by damaged fluids \$75.

When fluids are back space will be needed.

TRR

One of the boats protested claiming an incident with a launch

One launch was in the course

Short handed at start for Marshalls

Need better ordering of boats earlier maybe by the turn rather than at the dock

Quicker rotation on Marshalls maybe 2 hour shifts ?

Need more people at the Rourke at least 3 for traffic, launch assistance
