

## **MRRA Club Meeting**

**June 11, 2019**

7:00pm

Boathouse Conference Rm

### **President 's Report:**

Coach Chris Pucella has left the UML Coaching position to spend more time with his son.

He was an asset to UML rowing and a friend to MRRA. We wish him well...he will be missed.

- Boat use approvals by UML...obtained from Coach Chris Pucella before he left....
- UML Coach/boathouse manager position open.....noted...see UML jobs site if interested
- **Guest rowers:**
  - Policy clarification approved by board at June meeting and discussed at June general club meeting
  - Guests are guests of the MRRA and may be hosted by a full MRRA member. (Not LTS/student etc.)
  - Member host must accompany guest on the water
  - Guest is limited to 3 rows per guest
  - Member must enter guest name and hosts in the log book (computer if possible or otherwise paper log)
  - Guest must sign waiver

### **Safety:**

- Log Book update/issues
  - Rowers must log out under their own name **only**
  - Name in log must match rower in the boat
  - Do not log others out under you name
  - Use paper logbook for problems

### **VP Report**

- Programs, etc..
  - Learn to sweep cancelled for lack of interest
  - Need to discuss marketing advertising options for future programs

### **Boat Captain's Report:**

- Boat use issues: Use/don't (UML 2x/2-)
  - UML BOAT AGREEMENT IS FOR MRRA MEMBERS TO ROW 4's and 8's
  - Do not use UML doubles-MRRA has adequate 2x/2- equipment for members
- LTS prefer "B" oars
- "A" oars...change marking to orange?
  - Bob S will mark likely with A and B

- Rack awarded: status discussed
  - Inside high rack offered to list. People are responding.
  - Outside rack-discussed possible use of high rack. Would require a better platform. Will review interest.
  
- Rack Policy: status report/present requirements

**Boat captain reported:**

- Board continues to work on policy
- Rackholders's boats will be held to a 24 row per boat requirement
- Row has a 15 minimum time-frame
- Members are reminded to use the paper log to "cancel" a row...in the event they log out their boat and then fail to row it
- Members failing to meet minimum are subject to loss of rack space
