Equipment Committee

Planning to review equipment usage but at this point there is no plan to purchase any boats.

May consider using/purchasing Alden Star as a transition boat for LTScull.

Plan to purchase 8 Sweep oars

Plan to purchase 4 sets of sculls. Sell 2 sets of older hatchets and all but one set of Macon's.

Discussed racks - voted to make rack near door a full time rack. Consider reconfiguring storage to provide access to blocked rack. Notices being sent to people who are not meeting usage requirement. Trying to open up one more rowable rack.

Discussed the rack fees. Consider increasing or requiring Logbook membership. Will come up with proposal at next meeting. Will need to make a decision prior to the March 13 budget meeting.

Equipment sales - Board approved sale of 2 Swifts and Pienert. Will offer to membership. Make offers by end of February.
