

**MRRA Board Meeting
FEBRUARY 25, 2020**

Location: Lowell Boathouse

Attendee's: Dottie Semonian, Chur Masors, Mark Romanowski, Joe Bernard
Dennis McCarthy, Bob Bowen

Absent: Jody DeCarolis, Karen Srammell

Discussed topics:

2020 Budget

Review projected expenses– Dottie
Projected expenses - \$47,000
Projected revenue \$52,000 (2019)
Equipment – no new boat purchases

Rowing privileges

You can only bring a guest as a logbook sculler

Adding private boat racks

Bob is looking into adding two more private boat racks
We need to look into if there is a Corporate document with the University
that states we need to maintain a 50% private vs club boat ratio.
If the ratio exists that would limit us to add rack space for private boats

Essex rowing club

There are up to six private boat rowers from the club looking for space and
they have shown interest in joining our club if we have space.

Rules vs recommendations

The board has adopted the use of recommendations and not rules for our
club members to follow. Members should all get there own PFD's

New boathouse site

The city of Lowell will be hosing a meeting with the club to discuss our
boathouse/club needs to better understand how to assist us in providing
possible building sites on city land along the river. The meeting will take
place the week of the 16th of March

Meeting Adjourned at 8:00pm
