

**MRRA Board Meeting
February 4, 2020**

Location: MRRA / UML Boathouse

Attendee's: Dottie Semonian, Chur Mason, Jody DeCarolis, Joe Bernard
Dennis McCarthy,

Absent: Mark Romanowski, Karen Srammell

Discussed topics:

Winter Storage:

The club needs to confirm the fees have been received.

Access to UML Boats for Programs:

Jody to confirm with UML coach John that the boats needed for the summer programs will be available

Club Boat Usage:

Bob brought up low usage of some club boats to understand if any changes should be made. There was no consensus among board members to sell or remove any boats.

Rack Policy:

Bob Bowen is to develop updated rack policy.

Rack Wait list:

Wait list has been made easier to find on MRRA web site.

Rules vs. Recommendations:

Does the club issue rules or are they recommendations?

This is to be discussed at club meeting. Bob has discussed this with the safety committee members and will update the club at a later date.

Boat Safety video:

Safety video will continue be shown at club meetings to help boost attendance

Boat inspection and cleanup:

Cleanup and inspection of boats to be held in early April. Date to be announced.

New Club Building Site:

The land in Lowell just downstream of the boat ramp should be explored again to develop a plan for a new boathouse. Dennis and Mark are to reach out to learn what steps the club need to take to explore our options.

Meeting Adjourned at 8:00pm
