

MRRA Equipment Committee Meeting

December 1, 2012

In attendance: Roland Meijer, Bob Bowen, Erin Lallemand, Barbara Mack

- 1) Discussed riggers borrowed by UML for Head of the Fish – after meeting BJM sent email to Jonah Sakala asking about status
- 2) Reviewed boat usage information and produced slides for presentation at the Annual Meeting
- 3) Discussed current boat inventory, aging of the fleet and past purchases; will assess needs for 2013. Considerations:
 - a. Standardization of fleet - pros and cons
 - b. Usage and durability of each type of boat, MRRA statistics from 2012
 - c. Ease of repairs – parts, accessibility and services from original vendor, DIY by MRRA
 - d. Original pricing and Resale values
 - e. Classes of boats – best for recreation/rec and racing/racing
- 4) Will announce policy on use of club equipment during the off season at Annual Meeting; check by laws
- 5) Demonstration of new login system and tracking by Carl Popolo, from remote location.
