MRRA UPDATE

May 15, 2006

NO ROWING

President Joe says *"no rowing for the homes until that pigeon puts her freak down"*. Translation: River level is too high and is scheduled to go higher, cresting on Monday afternoon. So what he said. Read a rowing book for now, and stay tuned for updates. For now, low lying shells have been relocated to higher ground.

FESTIVAL REGATTA MEETING - THIS TUESDAY 7PM - At the Boathouse

Nominal agenda: (a) Committee Staffing, (b) Fees, (c) Event Schedule. All Committee chairs are especially urged to show. If you don't plan to attend and if you haven't expressed your desire to work on or lead a specific committee, plan on being volunteered for the committee of our choice.

CPR CLASS - MAY 23 - 6 to 10pm

SIGN UP NOW -- CLASS IS LIMITED TO 10 PEOPLE. First come first served - [write to Chur](#) and tell her you want to attend. Cost is \$40 payable at the class. Fill out [this form](#) and bring it to the class with you (at the Boathouse).

MEMBERSHIP RENEWALS

We are considering a cutoff date for new and renewal memberships. The season is upon us, and we need to get a grip on the size of the club for a whole host of reasons, the most pressing of which is the peeps power available for the Festival. If you plan on renewing your membership - please do it now! [Signon here](#) to retrieve last year's info and update your application for this year.

WHO'S YOUR MOMMY

Apparently Mother Nature didn't appreciate the fact that I forgot to send flowers again. The good news is that the rocks are covered. Bad news is that the boathouse might be covered too in a day or so. Photos courtesy of JohnW.
