Oct 9 Meeting notes

New Members Welcome Pete Denkins!

Safety Days are getting shorter, use lights when going out in marginal conditions. When fog comes in, return to boathouse, don't go out if bridge isn't clearly visible. Water is getting cold, consider air and water temperature before going out in cold conditions.

Equipment LHS whaler is broken, they have requested use of MRRA launches until water pump is fixed.

LHS and UML will coordinate use of the boats.

Bob is going to buy 2 new sets of slings, and look for new boats at HOOR. The Kashper zebra heavyweight scull is up for sale, Bob to post ad.

General Joe has proposed an alternate site for the next meeting to encourage better attendance, perhaps a site with food and/or libations.

The board is planning to discuss the issue of student and high school memberships.

Discussion included concerns about use of boats at away regattas, membership fees, volunteer activity, and sufficient boats for increased activity.

Next meeting Tuesday Nov 13 at the Brewery.

December Meeting Xmas Party: Second Tuesday in December (Dec 11) tentatively Cafe Paradiso
