At the Boathouse

Attendees: Everyone was there except Bob.

MINUTES**Things Boathouse**

- Boathouse lockouts. You can get locked out of the boathouse if you row in the afternoon around the time the workers are leaving. They like to lock the bay doors to protect their tools, so the advice is to take a key with you in a waterproof pouch. Or a cell phone. When you regain access to the boathouse, be sure to help yourself to any tools.
- Renovation. Not sure about the bathroom locations, or access to boathouse proper.
- The boathouse is temporarily pink. Or maybe permanently, we don't know for sure. Siding is underway; no sign of roof workers or the work that started on 15 May, but apparently it's on schedule.

Boats and Boat Repairs

- Sold white FISA for \$800
- Joe - Proposing workday for small things. V2 rack pulleys, oars, rack sleeves. Send your repair items to boatcaptain@merrimackrowing.org. Group Row and Work Party: Saturday 26-Jul. Row at 7a, quick work detail at 8:30a.
- \$2500 to UML for wakeless launch
